As a non-profit community program, we rely on you, the public to help us continue with our operations. There are many different ways that you can help, from making a financial donation to donating supplies and more.

To the left you will see a link that will take you to our wish list of items that we really need. In some cases, items might be donated for use and then returned after that class has been completed.

If you don't understand what an item is, please feel free to contact us. Please help us to help our (your) community. This is a part of your community and when the time comes it will give back to everyone that we can.

We are also in great need of financial donations. It can be your pennies, just a dollar or two, or even hundreds of dollars. All donations to the Kaufman County CERT program are accepted directly by us. Since we are now a 501(c)3 organization, All Donations Are 100% Tax Deductible. This can be great for you as an individual or business. Want to know why it's better to make a financial donation, view the answer at the bottom of the page.
